

Certificate

Management system as per

EN 9100:2018

(technically equivalent to AS9100D and JIS Q 9100:2016 and in conformity with the requirements of ISO 9001:2015)

The Certification Body TÜV NORD CERT GmbH hereby confirms as a result of the audit, assessment and certification decision according to EN 9104-001:2013 and ISO/IEC 17021-1:2015, that the organization

VDM Metals International GmbH
Plettenberger Straße 2
58791 Werdohl
Germany

VDM Metals

Details of certification structure „Several Sites“ according to the annex

operates a management system in accordance with the requirements of EN 9100:2018 and will be assessed for conformity within the 3 year term of validity of the certificate.

Scope

Development, production and sale of strips, wires, welding consumables and electrical resistance elements as well as plates and sheets, bars, forgings and powder made of high-performance-materials; development, production and sale of soft magnetic parts as well as inductive components and stamped parts; coordination of machining services on provided materials; customer specific sourcing and sales of semi-finished metal products and forming products; personnel and IT services as well as procurement of production and facility equipment

Certificate Registration No. 44 117 182081
Audit Report No. 3537 3776

Reissue date: 2025-12-08
Issue date 2025-01-15
Expiry date 2028-01-14
Initial certification 2016
